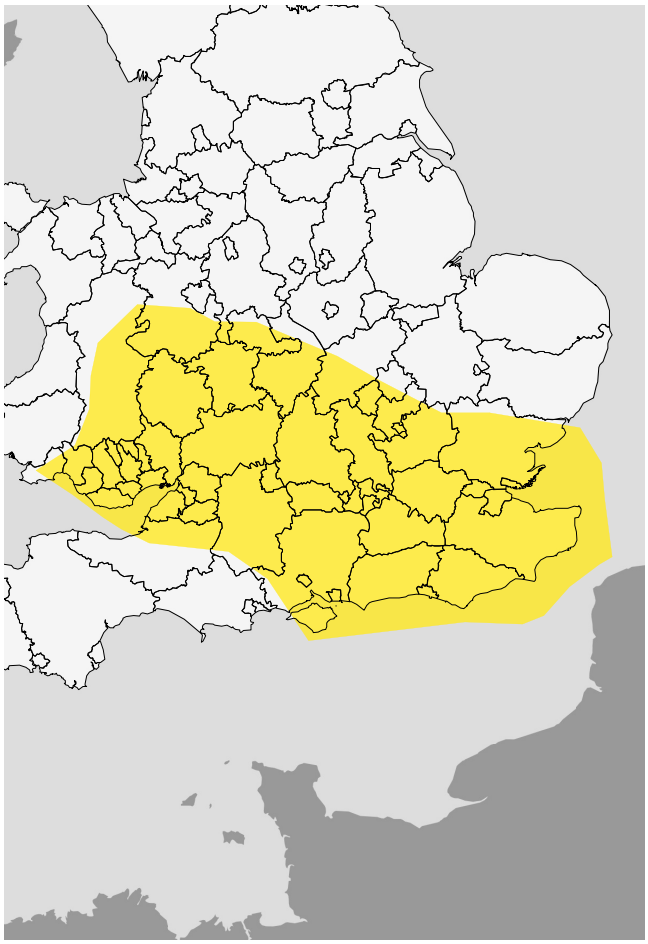
Yellow warning
Rain

Between
00:00 Thu 14 Nov 2019 and
23:45 Thu 14 Nov 2019



Persistent rain may bring some disruption from flooding

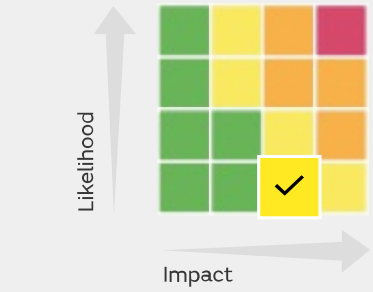
What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads

Further details

Periods of rain are expected to become widespread, persistent and locally heavy across parts of England and Wales through Thursday.

Rainfall totals of 15-25 mm are likely widely with the potential for some spots to see 40-60 mm. Rain will ease from the west during Thursday afternoon and evening.



Very low likelihood of medium impacts
